# TEEN DATING VIOLENCE AWARENESS MONTH WORKSHOPS

Together we can raise awareness about teen dating violence, through advocacy and education, and **stop dating abuse before it starts.**

## Teen Dating Violence 101

**Tuesday, February 7, 2023 • 5:30pm - 6:30pm**

Our interactive workshops include an overview of teen dating violence, its warning signs, and how to get support for someone who is experiencing abuse in a relationship. We will also discuss a healthy relationship's characteristics and explore boundaries, consent, communication, and healthy conflict resolution.

## Media Literacy

**Tuesday, February 21, 2023 • 5:30pm - 6:30pm**

Are the relationships depicted in popular TV shows and movies representing healthy behaviors? Join us to think critically about how media reinforces dating violence and gender oppression and discuss what changes we would make.

## Breaking Down Gender

**Tuesday, February 28, 2023 • 5:30pm - 6:30pm**

Join us in breaking down gender stereotypes by discussing traditional gender roles, gender expectations, and their connection to dating, safety, and bullying. Together we will discuss how we can all play a role in creating a culture of equality for all.
