

*Together We Can***END HUMAN TRAFFICKING**

The **Safe Harbor To-Go Bags Program** was created to provide anyone who is being trafficked or vulnerable to being trafficked with helpful items and safety tools. Each bag contains items such as snacks, a change of clothes, and toiletries. *These bags are meant to decrease a young person's vulnerability and support them in safety planning and harm reduction.* Locations such as **A Friend's House Youth Shelter** and **Center for Hope** would have these bags available to youth.
