10% of Proceeds to Benefit Fearless!

Fearless! Hudson Valley, Inc (formerly Safe Homes of Orange County) started as a small organization in 1986, comprised of a hotline and shelter for domestic violence victims and has since expanded and grown into an increasingly bold and empowered agency that advocates for change while supporting survivors.

We now are the only private, not-for-profit agency in Orange and Sullivan Counties in NY dedicated to assisting survivors of [domestic violence](#), [teen dating violence](#), and [human trafficking](#) by providing free and confidential services.
